Summary

I am a passionate CS student with experience in front-end dev and a strong foundation in object-oriented programming. My expertise includes full-stack development, AI/ML integration in web apps, and leading teams through problem-solving challenges. I excel in collaborative environments, code reviews, and performance optimization, while constantly adapting to the latest industry practices to create impactful solutions.

Education

B V Raju Institute of Technology(currently)

Bachelors of Technology in Computer Science and Engineering

Aug 2023 – June 2027

CGPA: 8.74/10.0

Bhashyam Junior College

Intermediate

Aug 2021 – Mar 2023

Score: 97.4

Bhashyam EM High School

10th

Aug 2021

GPA:10/10

Technical Skills

Languages: Python, Java, C, HTML/CSS, JavaScript, SQL

Web Technologies: HTML, CSS, Tailwind CSS, JavaScript, ReactJS, Node.JS, Express, MongoDB
